OneBodyOneFaith is the leading ecumenical body striving for the affirmation of LGBT+ Christians across churches in the UK.

We have over 600 subscribers who have committed their resources to our aim to change the minds and attitudes of churches in the United Kingdom. Over the next decade, we have bold ambitions to help transform the way all denominations view the LGBT+ community by having a positive impact on the people with whom we interact and the communities we serve.

This is a volunteer role, though we will pay expenses.

MORE ABOUT ONEBODYONEFAITH:

“It is the conviction of the members of OneBodyOneFaith that human sexuality, sexual orientation and gender identity in all their richness are gifts of God gladly to be accepted, enjoyed and honoured as a way of both expressing and growing in love, in accordance with the life and teaching of Jesus Christ. Therefore it is their conviction that it is entirely compatible with the Christian faith not only to love another person of the same sex, but also to express that love fully in a personal sexual relationship;

We believe that expressing our gender and sexuality with integrity is important as a way to grow in love and discipleship; we long for the day when Christians fully accept, welcome, affirm and offer equality to everyone in their diversity.”
